To The Secretary to the Government of Madras,

Sir,

THROUGH the Director of Public Instruction,
Madras.

and the District Educational Officer,
South Kanara.

I have the honour to inform you that the *marginally named 6 Board Elementary Schools did not function for the short periods noted against them. The teachers incharge of these schools were granted leave on loss of pay for the said periods and no acting hands were appointed for want of suitable hands who were willing to work in these interior Schools

schools for such short periods. Hence the schools remained temporarily closed.

The District Inspector of Local Fund Accounts, South Kanara, in his monthly objection statements for the months of July'32, November~~'32~~ and December'32 and February and March 1933 (extracts enclosed) has remarked that the proportionate amount of subsidies for the periods the schools remained closed should be refunded to Government.

In this connection, I have to state that this Board has incurred expenditure over and above the subsidy sanctioned by Government for the salaries of teachers in subsidy schools, in as much as most of these teachers are paid at a much higher rate than that sanctioned by Government i.e. Rs.19/- per mensem for every trained teacher and Rs.15/- per mensem for every untrained teacher.

Further all these schools have worked for more than the minimum number of 200 days fixed in G.O.No.850 Law (Education) dated 13.6.1933 in view of the adoption of a six day week in all the schools under this Taluk Board as per G.O.No.364 L.E. dated 9.3.1932.

I therefore request that you will be so good as to kindly move the Government to waive the recovery of the proportionate subsidy in respect of the said schools from this Taluk Board at as early a date as possible.

Sir,

With reference to Government Memo No. 743 A-1 dated 14th February 1934, I have the honour to state that the schoolwar particulars regarding the expenditure incurred on house rent are not available, but it is reported by the District Educational Officer, South Kanara that an amount of Rs.3-14-0 was spent on the six schools by way of rent to Buildings during the period of their

p. 8 The DPI reports that an expenditure
of Rs 3-14 was shown in rent for the
pays 2-3 ~~six~~ schools mentioned in the Resident's
letter and that details of the expenditure
on rent for each school are not available
It is observed that the Director has not
recommended waiver of recovery in
the case of the school at Ambekar
This school was closed from 1.2.32 to
2.3.32; the period of closure was
about a month From the notes on
page 31 of Govt no 1750 Edn dt 28.9.33 it
will be seen that the intention is to
waive recoveries in cases of closure
of schools for about a month. This,
therefore, submitted that no recovery need
be

be made in this case. A recovery of subsidy may be made in the case of the school at Kadaura as it which was open for 1 month and 13 days. The amount to be recovered is Rs 35. No deduction need be made on account of the expenditure on rent as the proportionate amount of the sum of Rs 3-4-4 agreed to as pay is small.

2. A draft order is submitted. It may be sent to Finance dept for acceptance.

JW.
27/2/34

I think the recovery of subsidy may be waived in all cases. After all if we agree to waive recovery in 5 cases only 6 it seems hardly worthwhile to go to all the trouble of passing an order for the recovery of subsidy in the 6th case because a few more days (less than ½ a month) are involved in that case. Finance are precluded by agreement to the waiver of recovery in all these cases.

Please see pages 31-32 of G.O. 1750 Law (Edn) dated 28.9.33, in which it was directed that no recovery of subsidy need be made where schools are closed for periods of about a month and there is good reason for such a closure.

f. 1 C.F.

The D.P.I. has recommended the recovery of a subsidy of Rs. 61 in respect of the following two schools which remained closed for more than a month:-

Place	Period of closure
(i) Amashebail	1 month & 2 days.
(ii) Badakere.	1 month + 13 days.

A on p 2 C.F.

The teachers were on leave on loss of pay and no substitutes could be appointed. Law (Edn) propose to waive the recovery of subsidy as the period of closure is just about a month or only 13 days more than a month. The waiver of recovery was apparently intended to apply to cases of closure for less than a month and there is no case for waiving recovery in the above two cases.
